

de Witt Consulting is a company dedicated to providing a personal and professional service to clients. Based in Newcastle also with a regional office in the Central West of NSW, de Witt Consulting comprises a team of enthusiastic and experienced land surveyors, town planners, environmental professionals, project management and sewer & water designers who are supported by drafting, GIS and administration staff. Our clients include property developers, Councils, Government Agencies, public and private companies.

de Witt Consulting aims to:

- Provide surveying, town planning, project management, environmental and mapping services to the highest professional standard.
- Deliver services on time and at competitive rates.
- Consistently meet or exceed clients' expectations.

Sewer & Water Experts in Newcastle, Sydney & Western NSW

As a Hunter Water Corporation Accredited Design Consultant de Witt Consulting has a team of accredited designers that can provide Sewer and Water development advice, management and designs for various land development projects from single connections to large multi-stage subdivisions.

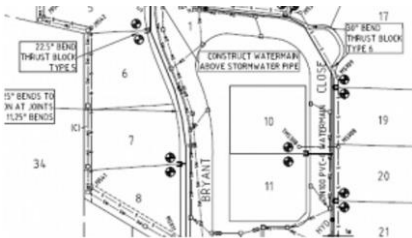

Our sewer and water designers are accredited under the Water Services Association of Australia codes through Hunter Water Corporation and have the knowledge and experience to produce designs, develop concept and management plans that meet Hunter Water's and other local authority's standards.

de Witt Consulting has extensive experience in sewer and water design and has a long established relationship with Hunter Water. de Witt Consulting is also able to complete designs for other authorities that utilise the Water Services Australia Standards.
